

Hanging Rock Reserve

Is this the backdrop for your ceremony or reception?

Are you considering an outdoor wedding ceremony or reception?

If you're looking to set yourself apart from the crowd by creating a celebration that you and your guests will remember for a lifetime, then a wedding with iconic Hanging Rock as your backdrop has to be at the top of your list!

Sections of Hanging Rock are available for your exclusive use, offering a wedding setting you could only dream of.

Depending on the size of your gathering, take your pick from two dedicated areas, both of which include exclusive access to new undercover areas each with accessible restrooms, and boast unobstructed and unrivalled views of Hanging Rock and Mount Macedon.

Both sites are located adjacent to the main reserve, so your wedding will be held in privacy away from the general public, and provide ample surrounding open space to accommodate a marquee (if required) and parking for your guests.

We're less than an hour from Melbourne, have a range of accommodation nearby, and with our central location within the Macedon Ranges are an ideal location for your ceremony, reception or both.

Hanging Rock gives you a blank canvas to design the wedding you've always wanted.

It's the perfect start to 'Happily ever after'!
