

Harry and me

Our considered collection of European and Australian design. Beautiful, gentle, alluring and ever evolving.

Harry and Me was founded by Amanda Fontanella in 2012, in response to a long-held passion for retail and fashion design. The boutique was named after her grandson Harry. Amanda's European heritage has been a strong influence in her choice of carefully curated items from her travels. You will discover a great selection of established & up-and-coming Australian designs alongside exquisite niche perfumes, hand crafted jewellery, leather goods and a treasure trove of bric a bac from across the seas. This gem of a boutique is located in the heart of Daylesford - Victoria's Spa Capital, just over an hours drive from Melbourne's CBD.
