

St Etienne

Designer Chic

Just a five minute walk from Lake Daylesford and 450 metres from the township (Vincent Street), St. Etienne includes all the creature comforts should you decide to stay indoors including a welcome hamper with locally made treats, Netflix, a high fidelity Bluetooth sound bar and free Wi-Fi. Design features, furniture and fittings abound. Each bedroom is given it's own personality and sense of style. Original Vintage posters, quirky Australian Art, a Byron Bay Hanging Chair and classic Eames Rocking Chair are some of the features in each individually and beautifully styled room. The third bedroom 'Grey Room' also offers a double sofa bed, perfect for families or girls weekends away where single beds are preferred. The bathrooms period charm has been maintained and combined with modern luxuries. The main living room is set in two chill out areas, one for reading and one for lounging, laughing and passing the time away. The owners' European background comes through in the kitchen where celebrating food is part of their DNA and at the core of every gathering: yes there is a denim fridge! Dine in at the designer dining table, or open up the doors to outside and enjoy the outdoor setting and BBQ well into the night.
