## Sleeps 10 in style

If you are after location and style in a property that can sleep 12, then look no further than York House. Set on almost an acre of mature garden, the property is an original classic miners cottage that underwent a complete transformation. Antique and vintage pieces were artfully blended with modern interiors to present a classic c1858 period home with modern additions. 6 stunning bedrooms, 2 separate living rooms, 3 bathrooms, and a full country kitchen and laundry York House is well equipped for long stays. Flexible bedding arrangements cater to any group be it girls, families couples or friends gathering to mark a special occasion. For larger groups, 4 stylish cottages located on an adjoining property can be rented to accommodate groups as large as 12.
